

European Forum for  
Geography and Statistics  
Manchester 2019

# Statistics + Location → Insight + Impact

9-11th October 2019

Radisson Blu Edwardian  
Manchester, UK

Visit our website for more  
information [www.efgs2019.uk](http://www.efgs2019.uk)  
or tweet us at [@efgs2019](https://twitter.com/efgs2019)

# The conference aims to highlight how our insights into the population and the world in general are greatly enhanced through the integration of statistics and place.

Registration and abstract submissions are both open on the website now.

Themes for abstracts are:

- Visualisation for impact
- GeoData science
- Better geodata, better policy
- Future geospatial thinking
- Leaving no one behind
- Geospatial architecture
- The geospatial census

Visit [www.efgs2019.uk](http://www.efgs2019.uk) more information.
